

**116 Denison Street MUDGEES NSW**

4  2  4 

The circa 1885 Lady has been lovingly restored and renovated, the property features four bedrooms, two living areas, a modern kitchen complete with dishwasher. For those cool winter evenings there is a wood heater in the family room, and to cool off on those hot humid summer days there are two split air conditioners. The bathroom has been renovated and returned to its former glory including a claw foot bath and pressed metal panels. The period home is surrounded by a well established gardens, come and inspect this property and be transported to a by gone era.
