There are 4 large bedrooms with built in robes, plus an office. The main bedroom has a walk-in wardrobe and ensuite.

The living areas are enormous, they comprise a lounge room, dining area and a big rumpus room off the timber kitchen.

This is a comfortable home with underfloor heating and ducted evaporative cooling.

Outside there is a covered pergola again, large in size, a shed big enough to house a school bus, plus several other large sheds.

The double garage has internal access and remote control doors.

There is rear lane access.
