This stylish, brand new residence has been built to the highest standards and offers the benefits of a large family home, combined with the convenience of low maintenance living.

The size of both the living areas and bedrooms are very impressive and are a welcome change to the smaller bedrooms and tight living space offered in many new homes.

A spacious formal lounge and an additional open plan family room and meals area provide ample living space.

Accommodation comprises four enormous bedrooms with built in robes in three and a walk in robe and ensuite bathroom in the main.

Other excellent features include an attractive main bathroom, good size laundry with built in cupboards, plentiful storage space, fully ducted reverse cycle air conditioning and an oversized double lock up garage with automatic door.

Land Size : 700 sqm
