

MUDGEE

3  1  2 

This beautiful brick veneer has been well maintained and offers generous living space and lovely gardens. Polished timber flooring is an outstanding feature in the three living areas:- a formal lounge, family room and dining area, with reverse cycle air conditioning.

The well appointed kitchen has a dishwasher, walk in pantry, breakfast bar and good cupboard space.

Each of the three good size bedrooms boast built in robes and the main has access onto the rear deck and its own reverse cycle air conditioner.

There is a double garage and garden shed for storage and the gardens are established, landscaped areas.

The home enjoys excellent district and mountain views and is set in a quiet South Mudgee location.
