

MUDGEE

2  1  1 

Any closer and you would be on the first tee of Mudgee's beautiful golf course.

This rendered and fibro cottage has had recent renovation and has 2 bedrooms with built in robes, lounge/dining room with wood heater, modern kitchen and bathroom and a tiled north facing sunroom.

There is a wide front verandah, a carport and a neat fenced yard.

This is fantastic buying. Don't miss out!
