

20 Douro Street Mudgee NSW

3  2  2 

Custom designed for comfort and access, 20 Douro Street Mudgee is within walking distance of everything. Surrounded by open space and designed to drink in the northern sun... with an internal courtyard, solar power panels, solar hot-water system and underfloor heating and a rainwater tank this house is an easy-care oasis.

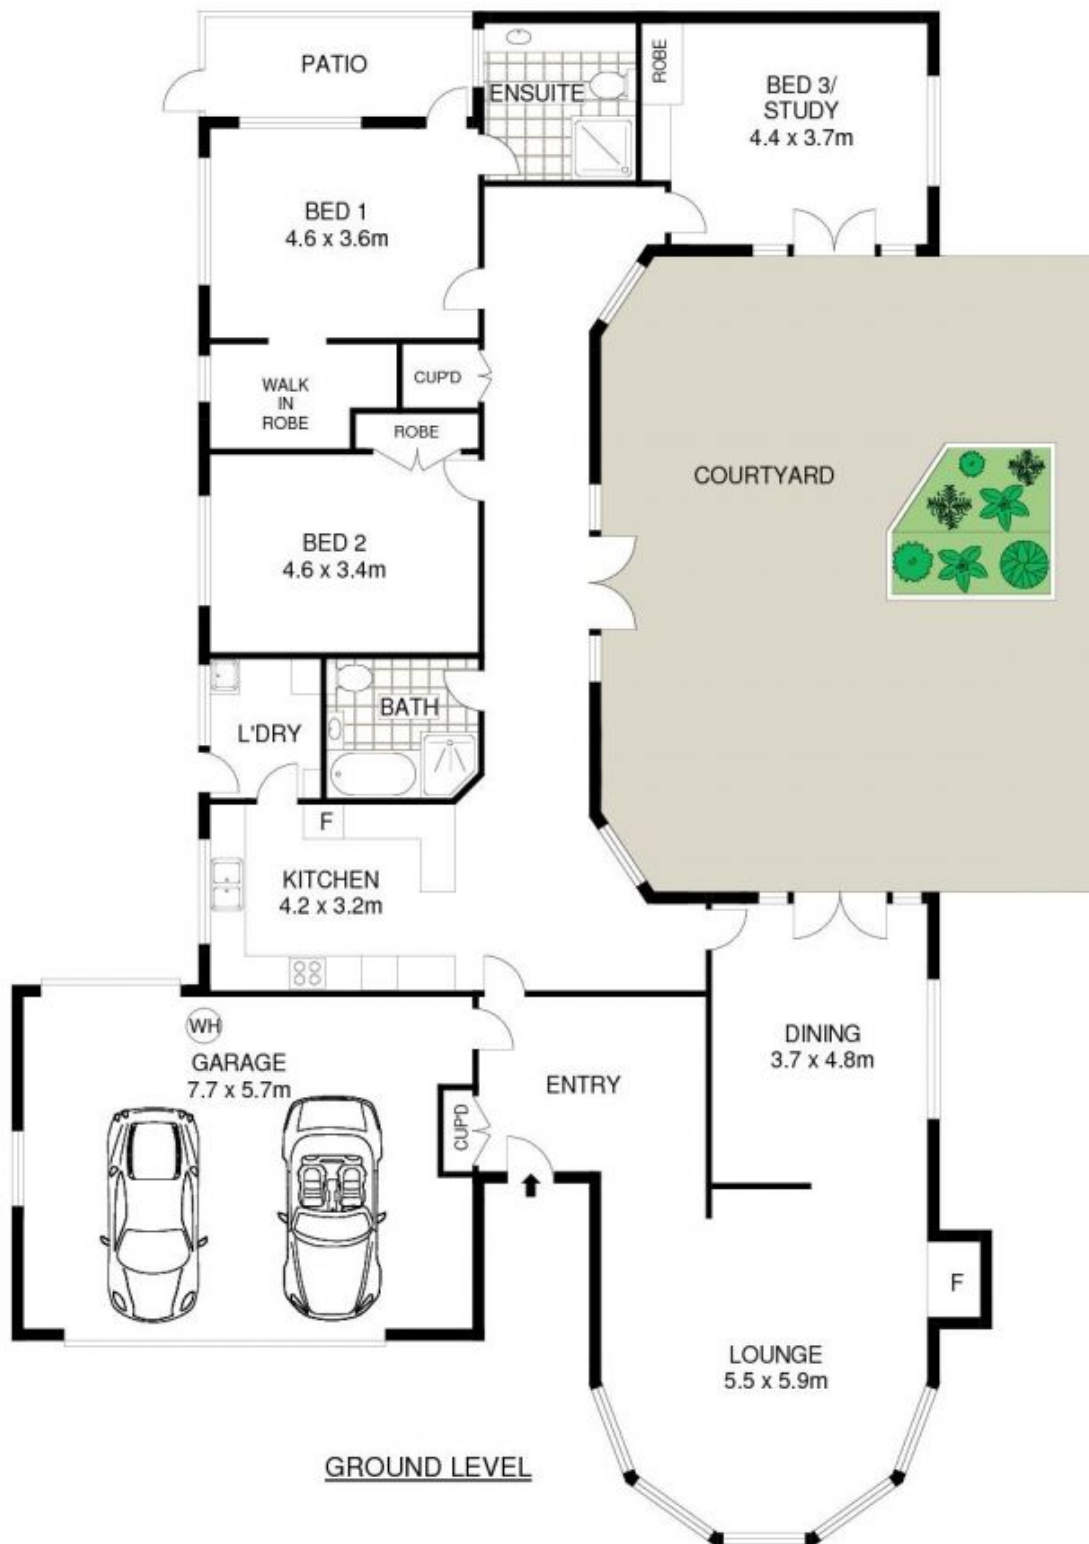

Hidden behind established trees in a low maintenance garden with quiet street appeal, this deceptively spacious house opens back to feature a huge living dining room and long gallery, three massive bedrooms: two with built ins, the master with walk-in robe and ensuite, main bathroom, airy kitchen with adjacent laundry and a double garage with room for a workbench and a serious sized drinks fridge.
